

2018 Solent Swim – Saturday 4th August 2018

CONDITIONS OF ENTRY

The Solent Swim is organised by West Wight Sports & Community Centre as a fund raising event for the West Wight Sports & Community Centre Trust (registered charity number 273334).

WWSCC is more than just a swimming pool - it is a community hub, providing a range of facilities and services focusing on health, fitness, personal growth and development and supporting both physical and mental health and well-being.

As a charity, we rely on ad hoc grants and fundraising events such as the Solent Swim to support our work and ensure the Centre can continue to operate.

We are facing a huge financial challenge with the need to find an extra £150,000 a year to fill the gap in funding. The Solent Swim is the main fundraising event for the Centre and since our first event in 2010, around 300 people have swum the Solent and raised over £170,000 for the charity.

Please read and take note of the following before signing up:

1. Participants are required to raise a minimum of £250 (excluding Gift Aid) for West Wight Sports & Community Centre. If swimmers wish, they can request that their swim raises funds for an additional charity of their choice. On-line fundraising must be done through www.everyclick.com selecting West Wight Sports and Community Centre Trust Ltd. as the preferred charity. All funds raised must go to West Wight Sports & Community Centre Trust, but on completion of all the 2018 Solent Swim fundraising, West Wight Sports & Community Centre will, at its discretion, make a donation to the charity of the participants' choice. A maximum of 50% of anything raised over and above £250 may be donated by West Wight Sports & Community Centre to the other chosen charity.
2. West Wight Sports & Community Centre Trust and its representatives take responsibility for the event. It reserves the right to cancel, or postpone at any time if deemed necessary. If the event is postponed the reserve date is **Saturday 18th August**. Participants should keep this date free and note that on several occasions we have had to use the back-up date due to bad weather conditions.
3. The event will not take place in adverse weather conditions. The organisers will instruct swimmers of this decision as soon as possible and practical. Communication of this will be via the website www.solentswim.co.uk.
4. Any swimmer can be withdrawn from the swim by the organisers on the grounds of health and safety at any time. During the swim, this will involve being taken to a safety boat.
5. Swimmers will be required to take part in various safety and training events and briefings before the event. These are compulsory and essential for us to ensure your safety. **Please do not sign up if you cannot attend the following events:**

- A. complete 100 lengths of West Wight swimming pool on **Saturday 21st July 0900 - 1200**
- B. attend at least one of the arranged rescue and recovery sessions at Colwell Bay on
Sunday 22nd July at 1000, or
Tuesday 24th July at 1900
Please note that the rescue and recovery sessions are in the sea – you will be required to swim a short distance and be instructed in safety and survival (and then to demonstrate your capability). You will be accompanied by kayakers.
- C. attend the pre-event safety briefing at West Wight Sports & Community Centre on **Friday 3rd August at 7.30pm**
- D. the Solent Swim will take place on **Saturday 4th August** and will be a morning start (times to be confirmed)
- E. in the event of cancellation – the back up date is **Saturday 18th August**
6. Swimmers are responsible for their own health and fitness. Swimmers are expected to:
- complete, honestly the attached medical questionnaire.
 - inform organisers of any changes to their health after their entry has been submitted
 - allow organisers to consult their medical representative for advice regarding any medical issues
 - ensure they train regularly and are capable of swimming the distance
 - ensure they train in the sea on a regular basis before the event and have practised swimming in the outfit they intend to wear on the day. You should note that swimming in the sea is very different to swimming in a pool and that wearing a wet suit or rash vest is very different to swimming in a swim suit. All these things can affect your buoyancy, body temperature and mobility when swimming.
7. Training for the swim is at the swimmers risk. You are advised to train with others in the sea and to have at least one person on shore watching you.
8. Swimmers should be aware that they will be in the sea for up to or more than an hour and will be travelling across to Hurst Castle in an exposed RIB. Hypothermia is therefore a concern and swimmers must wear suitable attire for the swim and be sure to have warm clothing to change into at Colwell. Organisers will collect and keep safe any possessions during the swim.
9. Swimmers will be provided with a coloured swimming hat which they must wear.
10. The Swim is a 1.3 mile crossing of the Solent starting at Hurst Point and ending at Colwell Bay, Isle of Wight.
11. The swim is not a race. Swimmers will be paired with a swimmer of a similar speed and will be expected to stay together with the kayaker allotted to them.
12. All swimmers must be aged 18 years or over on the date of the swim
13. Communication will be via email. Regular up-dates and messages will be sent before the event. Swimmers **MUST** ensure they are able to access these and take note of them.
14. Start time is crucial and dependent upon tides. Late comers at Yarmouth will not be waited for. Under no circumstances should swimmers attempt the swim unless they have been registered by the organisers.
15. Upon receipt of £25 deposit and all completed documents, West Wight Sports & Community Centre will provide up to 6 months swim membership free of charge (terminating on the day of the swim). You will be issued with a membership card (unless you already have one) which should be presented at reception every time you swim. Please ensure you speak to a member of staff if you wish to claim your free membership. West Wight Sports & Community Centre reserves the right to seek payment for the membership should the swimmer not take part.
