SWIMMING

- The main pool is lane swimming only, except for during Fun Hour. If you cannot swim lengths please book the small pool
- Please come 'swim ready' with your costume under your clothes. If possible wear something so that you can leave in the same manner ie: a dry robe. This reduces time spent in changing rooms and minimises contact points
- Swimming is booked in one hour slots. The hour starts from entering to leaving the building. You need to factor changing time into your hour
- Proceed to the Swim Changing rooms via the Sports Changing rooms
- Undress and leave your clothes on the bench where you undress
- There will be no lockers in the changing rooms. Some lockers are on poolside for valuables only
- Shower with soap and use the toilet BEFORE you swim. This ensures that pollution levels in the pool are kept to a minimum and the free chlorine in the pool water is available for disinfecting the Covid-19 virus
- There will be three lanes in the main pool. Select your lane based on your swim speed
- Swim clockwise or anti-clockwise as directed by signs
- On leaving the pool, please go home for your shower
