

WIGHT CLIMBING

We have the only indoor climbing wall on the Island which offers 7 climbing lines, we have routes for both beginners and experienced climbers, as well as a traversing wall. The routes are set monthly and we welcome climber feedback on these to ensure the wall stays fresh and exciting. Our wall is 6 to 7 metres in height and offers top rope climbing and lead climbing. We have a range of sessions available including instructor led sessions for children and adults and private hire for independent climbers. We also welcome group bookings.
