West Wight Sports & Community Centre provides sports, fitness and well-being activities that support the mental and physical health of our community. It does it through the provision of swimming pools, gym, sports hall, meeting rooms, community centre, and cafe. We provide opportunities for everyone to take part in physical activity. We also provide various projects that support vulnerable and isolated members of our community and give opportunities for them to improve their lives and be made to feel like a valued and active community member.
